### eData Reporting Portal Descriptions

When you first click **Continue** to open **eData** from AccessPlus, you will see the blue homepage.
Understanding the eData Interface Job Aid

eData is made up of reporting portals that allow you to access information based on your selection. The five main portals include the:

<table>
<thead>
<tr>
<th>Portal Titles</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student</td>
<td>This portal contains a variety of Official Census Day enrollment reports for each term.</td>
</tr>
<tr>
<td>Employee</td>
<td>This portal contains faculty and staff headcount and full time equivalent (FTE) reports for each month.</td>
</tr>
<tr>
<td>Financial</td>
<td>This portal contains a collection of financial reports based on KFS data as well as SPA financial reports based on KFS and KC data. Data is updated nightly. Financial reports begin with July 2013 (FY14) data. Information prior to July 2013 is available in the legacy systems.</td>
</tr>
<tr>
<td>Sponsored Programs</td>
<td>This portal contains reports Proposals and Awards in KC as well as a link to SPA financial reports. Data is updated nightly. Proposal &amp; Award information begins with July 2010 (FY11) data. Proposal &amp; Award data prior to July 2010 is still available using InfoMaker.</td>
</tr>
<tr>
<td>Resource Management Model (RMM)</td>
<td>This portal contains a collection of reports designed specifically to assist RMM managers and decision makers.</td>
</tr>
</tbody>
</table>

Graphic Summary Screen

Once you select the Financial Report Portal from the blue homepage, a graphic display of five boxes appear and contains seven types of eData reports within the portals:

- Financial Summary Reports
- Sub-Account Reports
- Object Reports
- Labor Reports
- SPA Financial Reports
- SPA Object Reports
- Budget Reports

These portals allow you to access and display information in different views.
Understanding the eData Interface Job Aid

Selection Page

Each portal contains a **Selection Page**, where you can select and search for data by accounts, keywords, fund groups, sub fund groups, resource units, org units, or org departments.

Portal and Report Titles

Each screen has a **Portal Title** displayed at the top in bold.

Directly underneath the **Portal Title** you will find the **Report Title**. These titles correspond to the menu or **Report List** on the top left side of the screen. By clicking one of the radio buttons on the **Report List**, you can select and generate that report.

The maps below illustrate each portal and corresponding report available in eData.

Report Filters

eData Portals contain prompts that allow you to filter information. The portals have different Report Filters each with drop down menus to create specific and detailed reports to meet your specific needs.

Here, you can filter information by any or all of the following:
- Sub Fund Group
- Fund Group
- Org Unit
- Org Department
- Resource Unit
- Account

Report Details

The middle section of the screen displays your selections from the Report Filters.

At the bottom half of the screen, a report is displayed in table form.

To view all results, be sure to use the “Top”, “Page up”, Page down”, and “Bottom” prompts if these appear at the bottom left hand corner of the screen.

Other Portal Links and Report Options
Other report options are also available in most of the portals. These options appear as blue links and lead to:

- Other Portals
- Browse Lists
- Custom Reports
- Help
- Transaction Detail
- Account Overview
- Encumbrance Detail
- Pre-Encumbrance Detail

When you click a link to another Portal, information from the filters you already selected will be carried over.

Browse Lists allows you to choose a report from a drop down list of specific filters.

Export Options
eData provides two download options on most reports: EXCEL or PDF. These options have specific advantages based on your business purpose. The table below lists the term and offers a description and visual cue for each option:
